

We are looking for teaching staff for all areas, but especially for the following programs ...

FINE ARTS

We are looking for Music and other Fine Arts teachers. NCSD's Fine Arts Program features Music, Visual Art and Drama K-12, and includes a visiting artists' program, special projects (e.g. mural design), a district student art procurement program, a traditional music initiative and drama and music festivals. Schools are well-equipped with music and art equipment and funding is also provided for students to travel to exhibits and performances.

FRENCH

Parlez-vous français? NCSD requires more French teachers for schools throughout Central Newfoundland. We have a great French program with Core French offered throughout the district, French Immersion at select schools and continued growth in Intensive Core French (ICF), including annual student camps. There is also a strong professional development program for French teachers. Our district participates in a wide range of federally and provincially funded projects for French Second Language education.

STUDENT SUPPORT SERVICES (PROGRAMS DIVISION)

NCSD regularly recruits specialists for the Student Support Services Sub-Division. Such specialists provide programming and enhanced supports to students as needed. In addition to the recruitment of specialists, NCSD continuously recruits special education teachers.

"All children can learn! However, children are like treasure chests ... you need to find a way to open them up before they can show what they have inside."

NCSD Teacher, 2009

DO YOU ...

- Love teaching?
- Believe in lifelong learning?
- Value diversity?
- Have a sense of adventure?

We want to talk to you!

To apply for a teaching position with our district, go to www.novacentral.ca and click on employment. The online teacher application form must be completed when you are applying for a position.

Teach in Central Newfoundland

Nova
Central
School District

WHO WE ARE.....

Nova Central School District provides educational programming and services to students in the central part of Newfoundland. It is a large geographic district, distinctly rural in nature.

DISTRICT FACTS

- Serves approximately 12,500 students from 170 communities.
- Over 2500 full-time, part-time and casual employees.
- Sixty-six schools in 50 communities.
- School populations ranging from 4 students to over 900 students.
- 26 Kindergarten-Grade 12 schools.
- Eight schools located in communities accessed by ferry.
- Two largest towns are Grand Falls-Windsor and Gander.

SUPPORTIVE TEACHING ENVIRONMENT

Nova Central School District offers a working environment that is comparable with any other school district across Canada. Our teachers receive competitive salaries and benefits, ongoing professional development and opportunities for transfer and career advancement.

PROFESSIONAL DEVELOPMENT

Nova Central School District provides comprehensive training and development for its employees. A host of topics are covered for teaching staff including new curriculum, instructional strategies, assessment and evaluation, inclusion and classroom management techniques.

Professional development is offered through one-one mentoring, school-based training, regional and district conferences and out-of-district opportunities.

PROGRAM SUPPORTS FOR ALL TEACHERS

There are program specialists for curriculum in French, Mathematics, Fine Arts, English Language Arts, Science, Student Support Services, etc. There are also program specialists who support primary-elementary, intermediate and high schools.

Program specialists work closely with teachers, especially new teachers, to assist them with curriculum delivery.

COME LIVE IN CENTRAL NEWFOUNDLAND

Looking for a change? Consider Central Newfoundland. It lies at the heart of the province and has a lot to offer those who live here such as breathtaking scenery, clean air and a relatively low cost of living. Our strong sense of community and family makes this one of the safest places in the country to live. If you enjoy the outdoors and want to experience the best of summer and winter activities, our region has something for you. Explore our rich culture of land and sea. And when you want a city break, hop in the car and drive to St. John's or Corner Brook, or on a flight to any destination from the international airport in Gander.

Whether you are new to the education field or an experienced professional, consider a career opportunity in the heart of rural Newfoundland .
